

Graphic Design

Introduction to Photoshop CS4

ED2GO

Learn to use Adobe Photoshop CS4 to edit images, process photos, and create original graphics. Whether you're a photographer, graphic artist, or just want to alter old family photos, Photoshop is the program for you! This hands-on, project-oriented course is filled with detailed, step-by-step instructions you'll have no trouble following as you master editing photos, creating basic paintings, and preparing your images for printing. Discover how to improve photographs by removing flaws, correcting for poor exposure, or adding new elements using the newest techniques Photoshop CS4 offers. You'll even find out how much fun it can be to paint again--without any mess to clean up. And, best of all, you don't need to have any artistic ability or prior Photoshop experience to take this course.

Course Contact/Clock Hours - 24 hrs.

Fee: \$109

Requirements: Software (see website)
